

Who is Integrity Consulting

Integrity Consulting is a premier management and technology consulting firm servicing the Federal and Commercial markets.

- Created with the vision of changing the nature of consulting by setting a new standard for commitment, trust, and execution
- Built on the principle that doing the right things for our clients and our people *always comes first*
- Independent thinking and straight talk are the foundation of our “trusted advisor” role with our clients
- Serving local clients within the Mid-Atlantic region

The Difference We Offer

- Independence and objectivity
- Professionals with a unique combination of industry and consulting experience
- Straightforward, collaborative teaming approach
- Committed project resources focused on client satisfaction and exceeding expectations
- Superior value with experienced delivery professionals versus training ground for new consultants
- Earned Value through execution

Our Offering

Integrity's vision is to change the perspective of the consulting experience on behalf of our Clients.

Our teams focus on these four critical areas of execution to drive value:

Our Mission

Doing the Right Things: Our mission is to make a significant and positive impact within our clients and our community. Service and integrity come first. We measure our success in terms of the satisfaction of our clients, our employees, and our business partners.

Doing Things Right: We will hold ourselves accountable to live by our values and we are committed to pursue excellence in everything we do.

Clients we have served
